Foreword

LANCERS CHARGE!!

This, which has been our slogan for the past four years, shall be the battle-cry for the class of 1967.

Just as our symbolic Lancer must withstand certain trials to become a knight, so must we undergo trials in order to attain our goals in life.

We have left our first experiences behind us at Norton High School and now we move onward to further education, occupation, and service. In order to build a good suit of armor, which will protect us, we must first have a good foundation. This foundation consists of our mind, our ability, and our heart. These qualities have passed their first test here at Norton High School and we, the Lancer class of 1967, charge on to life and definite victory.

Dedication

When one loves his work, he will serve well. This statement can be applied to Mr. Arnold Kenniston, one who certainly loves his work as a biology teacher.

In his work as a town conservationist, Mr. Kenniston has shown a combination of good citizenship and his love of biology. Having been a teacher at Norton High School for the past eight years, Mr. Kenniston makes his classes interesting by citing his own experiences and bringing in various subjects for discussion.

Mr. Kenniston has shown great dedication in his work. A few years ago, he was responsible for the addition of a greenhouse to the school. One often sees this greenhouse abounding with beautiful flowers and plants and one can examine experiments which are frequently taking place.

We, the class of 1967, dedicate our yearbook to Mr. Arnold Kenniston, a teacher who has shown an earnest desire to teach all the wonders and miracles which are so much a part of his biology course, to each and every student. Most of all, in Mr. Kenniston, we see a sincere, responsible, and dedicated teacher.

Appreciation

"A merry heart maketh a cheerful countenance"
Bible

We wish to extend our deepest appreciation to Mrs. Lucille Zwicker for all the services which she has so generously rendered to us, the class of 1967. Having been our class advisor for all four years of our sojourn at Norton High School, Mrs. Zwicker has taken part in our movie trips, our Junior-Senior Prom, our Senior Class Supper, our trip to Stratford and other events which we have presented. Throughout all these four years, Mrs. Zwicker has always shown a cheerful heart—however exasperated our "antics" must have made her.

Therefore, Mrs. Zwicker, we want to express our heartfelt thanks for all the sacrifices which you have made in order to keep our class and its events running smoothly. We wish you the best of health and happiness in all your future years.

Superintendent's Message

In reflection, each and every one of you will notice the great change that has taken place in yourselves over the past four years. This change has enabled you to carve out at least the image of your future life. Now that image must be perfected and protected until it is not a mere picture, but a reality. This is your challenge! You are now ready to meet that challenge. Do it willingly, with the youthful spirit that is yours, and, always keep in mind, that only through the wholesome blending of keen interest, God given ability and untiring effort, can you achieve the goals which are your destiny.

George A. MacArthur
Superintendent

Principal's Message

Your fine spirit of cooperation, your service and help to your school and class have been unique. This spirit will lead you to true happiness after you leave Norton High School.

To each of you, my sincerest best wishes for happiness.

Henri A. Yelle
Principal

Assistant Principal's Message

The courage and faith of the legendary Crusader-Lancer of the Middle Ages goes unquestioned.

My graduation wish for this class of 1967 Lancers is that you possess and cultivate these virtues: courage to face squarely the problems that will confront you throughout your adult years; and the faith in your own judgment and in God's help to solve them for the good of all men.

James E. Blount
Assistant Principal

This year the club plans to have several outside speakers. Library aides, several of whom have worked year after year, are carefully chosen for integrity, responsibility, accuracy, friendliness, and the desire to be of service to the school. Each member, by donating from one to five periods a week, learns to take over library routines, may learn improved work habits and an increased and practical knowledge of the books. The Spanish Club is open to all students who are studying Spanish. The main purpose of the club is to enrichen the student's knowledge of the culture and customs of the Spanish speaking people.

One of the highlights of the year was the appearance of Mr. Paul Dooley at a meeting in March. Mr. Dooley, a former Peace Corps worker, spent two years in the slum areas of Venezuela.

He presented to the club many slides that he had taken of the Venezuelan people and their way of life.

Latin Club

The Latin Club is organized with the co-operation of the Language Department to offer to those students interested in the classics, an opportunity to explore and relive many of the cultural and linguistic aspects of ancient times.

Membership is available to those High School students who have enrolled in the study of Latin. In addition to the regular meetings at which the members hold discussions on classical topics, there are group activities of special interest throughout the year. In the fall, all new members are auctioned at a "public slave sale" after which the tunic-clad "slaves" must serve their masters. Their servitude culminates in an initiation which entitles the participants to full membership.

At Christmas time, the Roman Saturnalia is observed. During the winter, the members travel to a museum for a guided tour of the classical galleries. In the spring, a Roman banquet is held which the members attend in togas and participate in the manner in which Romans were once accustomed.

The officers of the Latin Club are *(seated)* William Gorczyca, First Consul; *(standing, left to right):* Carol Ribeiro, Scribe; David Bennion, Quaestor; Kay Jackson, Second Consul.

Majorettes

The captain of the Majorettes for the school year 1966-67, Regina Araujo.

In recent years the majorettes have participated in many more activities than they had in previous years. This year the majorettes marched with the band at the Saturday Football games; they also took part in many Pep Rallies, the Spring Concert, and several parades.

This organization was begun in 1960 with a membership of seven, the current membership is nine. Weekly practices are held during the Spring and Fall, sometimes in the Winter. At the beginning of each year the new majorettes are chosen. After the selections are made the girls then choose a captain.

Pep Club

During the past year, the Pep Club has been one of the most active organizations in our school. With its advisor, Mr. Precourt, the club has sponsored many successful pep rallies. During the football season, the members of the Pep Club helped to raise immense school spirit by encouraging people to attend games, by sponsoring buses to away games, and by furnishing football programs.

One of the most impressive sights of the athletic season was when a person, dressed in a suit of armor representing our school Lancer, made his appearance on the football field during half-time. Another event during half-time was when a float, decorated in the shape of a football, entered the field. The hard work and money behind these enjoyable shows was all given by the members of the club.

Under its vigorous President, Marcia Collins, the Pep Club has introduced novel ideas toward the raising of school spirit.

Pep Club officers include; G. Dunlap (vice-president), Diane Levesque (secretary), K. Fiske (treasurer) and Marcia Collins (president, missing).

The purpose of the club is to interest the students in the ever popular out-of-doors sport. The club went on a ski trip to North Conway, N.H. this year. They held many money-making events such as their annual car wash, a cake sale and they sold soda at the home basketball games. Under the direction of Mr. William Rowland, the Ski Club has become one of the most popular in the school.

Junior Student Council

Two students from each homeroom in the Junior High make up the membership of the Junior Student Council. These members work very hard thinking of new ideas and new activities for the Junior High to participate in.

This year the Junior Student Council raised forty-five dollars that was sent overseas to Viet Nam for the under-privileged. They have held afternoon dances and evening dances for the Junior High students.

The club realizes the need for more school spirit and has instituted a Junior High Pep Club. Their basic goals for the future are to promote good citizenship, to become an active part of the School Government and to prepare for Senior High School.

Football

September 24, 1966, was the day Norton football players and their loyal followers had long awaited. The first varsity football game in the history of the school was to be played on this fourth Saturday of the month.

Long and hard practice sessions preceded the big day. Finally, it arrived. The journey to Holliston was marked by silence as the team prepared itself mentally for battle against the bigger, highly favored adversary.

In an auspicious debut the lightly regarded Lancers forged ahead to a 6-0, lead at half-time. Dennis Peabody was on the end of a Russ Hardigan aerial for Norton's first varsity touchdown. In the second half Holliston threatened to score time and time again only to be turned back by the Norton defense. Less than four minutes remained in the game when Holliston's quarterback connected on a 24 yard pass to tie the score at 6-6. The crucial extra point attempt was blocked by Mike Wynn. In the waning minutes of the contest the spirited Nortonites drove to the hometowner's 3 yard line only to have the time run out. However, an impression had been made and Norton would no longer be regarded lightly by Clover Valley opponents.

Victories do not come easily in football as the young Lancers were soon to discover as they approached the most difficult part of their schedule, Hopkinton, Medfield, and Millis.

Hopkinton turned back Norton 18-12, behind the running of fleet-footed Jim O'Neil. Norton's touchdowns were scored by John Hayes on an 85 yard kickoff return, and Rit Bouchard's fumble recovery. For the second Saturday in a row the Lancers were inside the 10 yard line when the game ended.

The next two contests were grueling games for the inexperienced Norton team. Against Medfield, the league champions, Norton held the high powered offensive attack scoreless until late in the first half. However, Medfield took a 6-0 lead into the dressing room at half time. Medfield's size and power came to the front in the ensuing half as it scored 20 points and forged to a convincing 26-0 victory.

Millis ran rough-shod over the injury riddled Lancers in the next game for an easy 33-6 triumph.

Dedication and hard work eventually pays dividends. The Lancers, down but not out because of their unimpressive 0-3-1 record, prepared diligently for Martha's Vineyard. The Islanders fell before the Lancers as Norton rolled to its first varsity win by an 18-0 score. Quarterback Bob Adams scored the first T.D. on a 2 yard sneak, George MacArthur upped the count to 12-0 when he recovered a Vineyard fumble in their end zone following a jarring tackle by Larry Larocque. Fullback Doug Kerr, in his best individual effort of the season, capped the scoring with an 18 yard scamper in the fourth period. Defensive bulwarks for the afternoon were Larry Larocque, Francis Kullus, and Jeff Souza.

Kullus, Larocque, Dennis Peabody, and Russ Hardigan, in particular, and the whole defensive unit rose to the occasion against Dover-Sherborn holding it to a mere six points. While the defense was performing, admirable Bob Adams directed the offensive to its most productive afternoon of the season amassing 26 points. Adams had scoring passes of 12 yards and 32 yards to Hayes and Bouchard respectively and raced for a touchdown himself. Russ Hardigan rushed for the extra point following Adams' run to up the count to 26-6. Doug Kerr accounted for the fourth score.

The record now stood at 2-3-1. The up-and-coming contest against favorite Dighton-Rehoboth loomed all important for the Lancers who now had an opportunity to even the season record. Both teams played extremely well in the 6-6 stalemate which was indicative of how evenly matched the teams were. Norton's lone score came on a quarterback keeper by Bob Adams.

Bob Thurber led the attack versus Medway. The scrappy halfback scored twice, a 30 yard run and a 42 yard pass from Adams, in the squad's best over-all performance. Bob Adams also scored for the Lancers who registered their second Clover Valley Conference victory. Mike Wynn, Danny Gefis, and Rit Bouchard anchored the defense.

The holiday clash was a heartbreaker for Norton who threatened to score many times, but on each occasion Seekonk was prepared to handle the task of turning back the Lancers. Trailing 8-0 at half-time Norton came back in the fourth quarter to score a 28 yard reverse play by John Hayes. Seekonk scored again to up the count to 14-6. The chance of a Norton victory was nullified late in the game when Bob Thurber's 80 yard touchdown was called back because of a penalty. The spoils belong to Seekonk by virtue of its 14-6 conquest.

Norton's first varsity team performed well and has left a legacy to all future teams: to perform as well as possible, to hold one's head high, to be humble in victory, and gracious in defeat.

Varsity

The Norton Lancers converted many doubters into bel[illegible] this year by becoming the [illegible] Conference. The Lancers entered the league without a letterman and most of the team was composed of sophomores and juniors. "The Lancers will be lucky to win half of their games!" was the talk of the town, but the young men proved different. First to fall under the Lancers was Seekonk, 61 to 53. [illegible] win is always a big one and the boys looked forward to an undefeated season. The Lancers, however, fell to Seekonk in the second encounter [illegible] to 65. The next game was with our [illegible] rivals, Dighton-Rehobeth. The Falcons were [illegible] up before the game and won [illegible] 75. It takes a strong group of [illegible] to come back after losing two straight [illegible] season, and the Lancers [illegible]. Hopedale was next to fall under the Lancers 91 to 53 with a brilliant offense. Next, was Blackstone 63 to 50. These two games might have been the start to a long winning streak, but Mansfield, our other rival, defeated the Lancers 80 to [illegible]. The [illegible] the end of the league play and we were in the league with [illegible] Bellingham, the 1966 league champs, defeated the Lancers in [illegible] to 66. Then the Lancers started to win [illegible] Dover 71 to 57 and then Norfolk 72 to [illegible]. The [illegible] upset [illegible] 52 to 48 by Medway, and then Medfield [illegible] game of 57 to 55. Hopkinton then fell under the Lancers. Dover stopped the Lancers' winning streak by defeating them 72 to 54. Things looked dim for the Lancers' chance of winning the league, but, inspired to prove they could do the job, won 6 straight. First to fall was Millis in an overtime. Hopedale was next on the list, and then fell Blackstone. The Lancers were [illegible] up. They defeated Bellingham whom they had lost to earlier in the season in an overtime, 66 to [illegible]. Then Nipmuc and Norfolk fell under the Lancers. We were [illegible] with Bellingham for the division title, but Bellingham lost their last game and we were division champs. This was an achievement in itself. No one could possible concieve how the Lancers did it, but the boys knew. The Lancers worked hard to overcome the height disadvantage and won the division. Next game was for the championship. It was a close game all the way and for a while it looked as though the Lancers would win, but [illegible] big and strong Dover Sherborn [illegible] 50 to 44.

The Lancers still had the Tech Tournament games to play which [illegible] scheduled. The Lancers ended with a 13 and 7 over all record. On every team there is said to be a star but this year the Lancers had to be, and were, a team and it paid off. The Lancers look forward to next year with all the players except Bob Timfoor, one of this year's seniors.

Standouts for the team were Steve Jackson, Greg Cruff, Alan Rich, Bob Staggers, and Tony Fernandes.

June is a big month for those girls interested in becoming cheerleaders. It is during this month that members of the faculty choose the nine girls from those that have tried-out for the positions on the cheering squad.

The cheerleaders job is basically the same from year to year—cheering at the many sports events that take place.

Pictured above are K. Brown, P. Allen, M. LaCombe, T. St. James, C. Sprague, C. DeValk, S. Melanson.

The Norton Freshman basketball team compiled a successful record of seven wins and four losses this season. The fact that all games were played against teams from schools larger than Norton gives added luster to the record. An upset victory over Taunton capped a highly awarding season. During the course of the season, Coach Nuttall was able to utilize the scoring ability of Alan Rich, the aggressive rebounding of Tony Fernandes and Joe Ramos, the defensive work of Steve Nichols and Jay Ribeiro, and the all-around play of Darrell Moulding, Rick Silvia, and Dave Withers. Overall, the potential talent of these boys indicate a bright future for Norton High basketball teams.

Four years ago, the Junior High Cheerleaders began. Since that time, the organization has become one of the most popular in the Junior High. The competition between the girls is keen. With the aid of its advisors, the ten girls obtain good experience in both physical fitness and practice for the big day when they may become Varsity Cheerleaders.

After an absence of a year, the cross country team was renewed this year. The team got off to a slow start by starting practice late in the season. Because of this late start, we were unable to compete in any of our regular league meets, therefore, we had to compete with teams in the local area. The teams with which we competed were out of our class and this resulted in our making a poor showing for the regular season.

With uncertain feelings we entered the Tri county Conference League meet and to our surprise ran an impressive race, finishing fourth in the league meet.

Mr. Gaides, the cross country track coach, says the prospects for next year's team appear promising. With most of the team returning, we expect to have a successful season.

John Hayes, Captain of the team.

The 1966 Track Team had a successful season. We won five meets out of the eight that were run. The Norton underclassmen worked hard but our biggest downfall was depth. We only had one strong position in each event. In the 1965 season our two biggest point-getters were John Hayes, who ran the 220 broad jump and 100 yd. dash, and John Young who broad jumped and high jumped. There were also many other point-getters such as Larry Petipas, Dennis Peabody, Greg Cruff, Steve Texiera and Mike Vital.

If we can build some depth in each event we should have a big 1966 track season with possible stand-outs being John Hayes, Larry Petipas, Dennis Peabody, Mike Vital, Greg Cruff and Steve Texiera.

Baseball

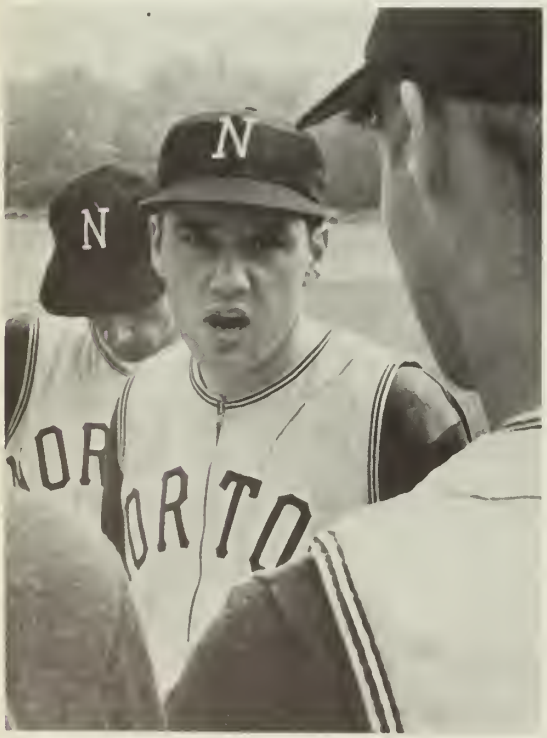
Norton High School, the defending Tri-Valley League champions, opened the 1966 baseball season in meager fashion; however, at the conclusion of the season the 1966 baseballers had received statewide recognition by advancing to the finals of the Eastern Massachusetts Baseball Tournament.

The members of the team *(bottom row, left to right):* R. Hardigan, R. Lovenbury, S. Prosky, D. Burbank, D. Murphy, R. Trabucco; *(Row two):* C. Bowen, A. Bouchard, K. Allen, M. Wynn, P. Hassie, R. Thurber.

The first two games of the season were lost to Bishop Feehan High School. These were the only non-league games Norton was to play until tournament time.

Millis provided the opposition for Norton in the first league game. Norton won 3-1. Holliston set back the Lancers in the next game 6-0, and people began wondering if Norton's baseball fortunes were dwindling!

Steve Prosky, Dave Burbank and Dennis Murphy took command at this time and led Norton to six successive league victories. Following a loss to Hopkinton the Lancers again "charged" on with a pair of 1-0 victories over Nipmuc and Bellingham. These two victories coupled with wins over Millis, Holliston and Medfield clinched the Division II title for Norton.



Giving some helpful advice is the coach, Mr. Peter Bartek.

The Diamondmen's league record of 12 wins and 3 losses, best in the league, insured Norton of a spot in the State Tournament.

Norton opened play in the tournament against Hudson High School. Freshman Art Bouchard, in a preview of what was to come, turned back Hudson 4-3 in an eleven inning contest. Art was aided by the hitting of Steve Prosky, Bob Lovenbury and Mike Wynn.

At this point, tournament play was interrupted as Norton traveled to Millis to meet Bellingham, Division I winner, for the championship of the Tri-Valley League. Bellingham, seeking revenge for its season loss, proved too much for the game Lancers, winning 6-4 behind star pitcher Glen Gariepy.

The Norton men then turned to tournament play determined to prove their baseball superiority. Following two successive days of travel to Lynn only to have the game called because of rain, the Lancers defeated a strong Pentucket Regional team 5-4 again in extra innings. Senior Richie Trabucco, crafty left hander, shut out Regional, through four innings. In the fifth and sixth innings he began to tire and yielded three runs. Art Bouchard was called upon to squelch the uprising. Again Art performed magnificently. In the tenth inning, Dave Burbank hit a towering home run. This run, coupled with an insurance run scored in the tenth, proved the margin of victory.

In the finals of the state competition, Norton met Ashland. The Lancers, weary from travel, performed well until the ninth inning when everything went wrong. In the last inning Ashland scored six runs to win easily 11-2.

History had been made: Norton High School had advanced to the finals in state competition. Although they did not win the tournament the 1966 baseball team was to be congratulated for a job well done.

1966 Junior-Senior Prom

Seated on her throne is "Queen of the Prom," Donna Tilton.

On the night of June 7th, 1966 came the climax of nearly four month's work by the Junior Class on the 1966 Junior-Senior Prom. The event was held in the high school cafeteria on a balmy spring night. The cafeteria was virtually changed into a paradise within a few hours after the decorations were finished. The scenery, following on the theme of "Castle in the Sky," consisted of a large castle surrounded by fountains, bridges, wishing ponds, and millions and millions of stars. The scenery was built, painted, and erected by members of the prom committee under the chairmanship of Arthur Stentiford. The highlight of the evening was the annual crowning of the Queen of the prom. The queen is chosen by members of the band and is crowned by the president of the Junior Class. The music for the night was furnished by the "Skyliners."

Leading the grand march, one of the highlights of the evening, are the President (second from left, Bruce Melanson) and Vice-President (second from right, Nora Jennings) of the class of 1966, accompanied by their respective dates.

The Annual

The annual Welcome Dance was presented on the night of October 1st, 1966 as a joint effort by the student council and the Senior Class. This dance is the first social activity of the school year. The upperclassmen renew old friendships and have a good chance to meet the incoming Freshmen. For the Freshmen, this dance is the first social event of their high school years and as a result, there is always a good turnout and much excitement.

Pictured above is the band which provided the good music for the dance, "The Sunliners."

"Well, there goes my whole week's pay." Jerry Roy hands Mrs. Lucille Zwicker, class advisor, his ticket money.

Enjoying their first high school dance are Freshmen *(left to right):* Elena D'Angelo (dancing with Sophomore Richard Yelle), and Charles Burbank, and Christine Yelle.

Welcome Dance

Stopping for a breath of fresh air are Seniors, *(left to right):* Sandra Jackson, Marcia Collins, Diane Levesque, and Arthur Stentiford; *(far left background)* are George Bell and Ed Christie.

Above is an example of the fast, wild, "jungle dances" of the modern generation. *(Left to right)* Sue Thibeault, Rick Bouchard, Mary McEndy, and Steve Texeira.

This year the music was supplied by an area band instead of by records. Many students prefer this method rather than having a dance with a disc jockey and records which are sometimes out of date. By having a band, more enthusiasm is created in the atmosphere because of the loud noise and the band members singing themselves.

Taking a break for refreshments are Gary White and George Bell, along with their respective dates.

Senior Class Play

"Now Tom, you've got to do something about your clothes!"

"Hello there, I'm Lucy Lee Saunders from little ole Tugboat, South Carolina."

On the night of February 18th, 1967 the annual Senior Class Play was presented at 8:00 P.M. The play, "Her Kissin' Cousin" was a comedy in three acts. The main action of the story centered around the arrival of sweet little Lucy Lee Saunders—a breath of the old South, cousin of Mollie Farrell, and the effects which result on Mollie and her Northern friends. There were eight characters—four boys and four girls. The cast was as follows: Jennifer Desmond played by Marcia Collins; Jodie Armstrong—Diane Levesque; Mollie Farrell —Lydia Johnson; Lucy Lee Saunders—Kathy Leary; Bruce Bartlett—Larry Petipas; Harry Ames—Jay Yelle; Tom Jackson—Gary White; Randolph Fitzhugh—David Sanders.

The Publicity Chairman was Susan Flynn and the Chairman of Programs was Linda Higgenbotham. Usherettes were Mary Bartley and Valerie Paulus.

"Oh be serious, Jodie, we can't use arsenic and ground glass to get rid of little Lucy Lee"

"Why Tom, you do say the sweetest things!"

"Her Kissen' Cousin"

The scenery committee was composed of the following members: Judith Mullholland, Andrew Bohannon, Susan Brown, Valerie Paulus, and Dennis Peabody. Prompters were Lucille Charrette, and Sharon McLean. The one girl who did such a good job on make-up was Cheryl Hyland. Lighting and curtains were controlled by Arthur Stentiford. The play was directed very skillfully by Mr. Mark Sweeney, and the cast and all the people connected in any way with the production were indebted to Mr. Sweeney for his generous giving of his many hours on week-day evenings, after school, and on Saturday afternoons.

The play itself was very successful. Everyone seemed to express his enjoyment and praise for a job well done.

"This will be our last lesson in flirting, Tom,—the good-night kiss."

"Oh Jennie, Lucy Lee just wanted to be the center of attraction in a new environment."

The girls of the cast: *Back row (left to right)*—Kathy Leary, Diane Levesque; *Front row (left to right)*—Lydia Johnson, Marcia Collins.

Tom and Jodie don't seem to be very happy about all the trouble Lucy Lee has caused.

Christmas

Football coach Mr. Peter Bartek shows his gift from Santa to Mrs. Bartek and some of the team members.

The annual Christmas was held on December 17th in the High School Auditorium. Sponsored by the Senior Class, it is one of the main social functions of the year.

The auditorium was simply, but beautifully decorated by a huge tree which stood in the middle of the floor. Santa came for a brief visit and with him brought many wonderful gifts and sur-

prises.

The music was furnished by a "groovy" group called "The Barons." Records were provided while the band took a rest something the untiring dancers didn't seem to need. The evening ended all too soon, but everyone had a good time and the dance was a success.

"I don't believe it!" or so says Sharyn MacLean to Larry Petipas.

Preparing to enjoy the next dance are Arthur Stentiford and Cheryl DeValk.

Doing one of the latest dances (?) are freshman, Fran Gerraughty and junior Greg Cruff.

Christmas Program

Members of the chorus being conducted and accompanied by Miss Regina Lopes, *seated at the piano.*

The Annual Christmas program was presented on the night of December 12, 1966. Both the Chorus and the band gave various Christmas selections. The Dramatic Club presented a one-act play entitled *The Lost Christmas* which starred Sharon MacLean. Other characters were Christine Yelle, Daniel Haskell, Joseph Yelle, Pamela Tripp and Francis Molitor.

One of the highlights of the evening was a duet sung by two elementary school boys, Thane Welsh and Mark Norlund. Refreshments, supplied by members of the band and chorus, consisted of some very delicious cookies and punch. These refreshments were for everyone who took part in the program.

The music played by the band and sung by the chorus was worked on since the beginning of the school year. This work was made apparent in the enjoyable program which was given.

Pictured above are most of the members of the trumpet section of the band. In the *first row* are the first trumpets: *(left to right)* J. Molitor, A. Spencer, M. Yarusites, and K. Fiske.

Award Winners

Each year the Senior class chooses three girls for the Daughters of the American Revolution Award and then from these three, one is chosen by the faculty. Theresa St. James is the recipient of that award this year,

The Lions Club of the U.S.A. sponsored an essay contest for scholarships. On each level from local to national, there were awards given. On the local level the winners were Susan Lynch, Elana Stepanek Diane Levesque and Edward Norton. The students are shown with Mr. Herbert Phillips, President of the Norton Lions Club.

Sharon Melanson was chosen by the Student Council for the Jewish Veterans Brotherhood Association award on the basis of her school record, her character and citizenship.

The Norton VFW sponsored a Voice of Democracy contest in which the POD students participated. The subject was "What Democracy Means to Me" and the contestants each had to give a speech. On the basis of content and presentation, Anne Franklin was chosen as this year's winner.

Award Winners

Every year a Senior is chosen from the P.O.D. classes on the basis of school record and character to represent the school at Student Government Day. This year's representative is Elana Stepanek.

Each year in schools all over the country Senior girls take a national Homemaker of Tomorrow test. Deborah Jenks was the winner of the award at Norton this year.

Seniors, Francis Kullas and Larry Larocque were chosen for the first team of the All Bristol Football Team.

Susan Lynch was the recipient of a $500 scholarship award for her one hundred word essay on "The Importance of Education in a Modern World".
